EXAMINER'S NOTE

The declaration under 37 CFR 1.132 filed 8/29/05 is sufficient to overcome the rejection of claims 52 and 55-57 based upon anticipation.

Oath/Declaration

The oath or declaration is defective. A new oath or declaration in compliance with 37 CFR 1.67(a) identifying this application by application number and filing date is required. See MPEP §§ 602.01 and 602.02.

The oath or declaration is defective because:
The specification to which the oath or declaration is directed has not been adequately identified. See MPEP § 602.

In the instant case, the specification was indicated as being filed on May 2, 2000. This appears to be incorrect because the filing date of the indicated (parent) application number, 09/023,249, is February 13, 1998.
